MEMORANDUM FOR: Honorable C. Douglas Dillon
Chairman
President's Committee on the Warren Report
Washington, D. C.

SUBJECT: Informer Rewards

I am enclosing a short paper for your information on the matter of informer rewards, which I believe is a matter worthy of serious consideration by the Committee. Legislation providing appropriate benefits could provide incentive which could tip the balance and prevent the successful completion of an attempt on the life or person of the President.

JOHN A. McCONE
Director
